OFFROUTE ART NEWSLETTER

Late last month we were thrilled to share our 2022 vision with you! It is to open Offroute's first physical location. We hope to do this in several cities, but plan to start in Pittsburgh, PA. Over the past year, Offroute has gained a lot of traction here and it's a city where many young artists have fewer opportunities to sell and show their work.

If you can, please consider making a donation today. Donations will be used towards opening this space! Donors who give before 11:59 p.m. EST tonight will be entered into a raffle. See our social media for more details.

In our February Newsletter we will share our fundraising totals as well as an update on our plans!
